- ACE Salt System customers will receive a \$250 discount on a replacement cell with an active water care contract.

- Chemicals needed to balance your water are included at the time of visit, including the @Ease Cartridges. Excluding SilkBalance.

- Water needs to be accessible during entire length of contract for use by Mainely Tubs as needed for water care.

- To complete your service, our Service Technicians require an unobstructed path to the hot tub free of snow, ice or storage items. Mainely Tubs reserves the right not to complete service if our Technicians do not have sufficient access. Additional charges may apply for any required return visits.

- Mainely Tubs will waive the Service Charge for service visits needed during an active water care contract. Delivery of a newly purchased cover is also included during an active water care contract.
