

NORTHSTAR INDOOR SAUNA NSI-46

This 4'x6' sauna is ideal for two or three people, including a top bench long enough to comfortably lie down.

The NSI-46 includes a Viki 4.5 kW stainless steel heater and SaunaLogic2 control.

NORTHSTAR INDOOR SAUNA NSI-56

The NSI-56, only 30 sq. ft. in size, feels surprisingly roomy. With an O.D. of 5'x6', sauna bathers can comfortably lie down on the top bench or comfortably seat three, with room to sit on the lower bench for those wanting to sit in a lower-heat zone. The sauna includes a Viki 6.0 kW stainless steel heater with SaunaLogic2 control and mobile app.
